Never Before, Never Again

It seems like it was just yesterday that we walked through the doors of Leominster High School for the first time and now, so soon, our graduation is in sight. The road has been winding, but the journey never slow. We know that because of our unique place in time as the "Class of 2000" this yearbook is important. Like the things put in a time capsule, our pictures, memories and events will be looked back at in years to come to see what high school life was like in Leominster at the turn of the 20th century. We can't help but smile when we think of all the unforgettable, wonderful friendships and typical LHS events that this book will preserve. As our final days at LHS approach, we will say our goodbyes and take our leave. As the departure of Mr. Fleming and Mr. Michaels co-incides with our leaving, we wish them both a long and happy retirement. As we go our separate ways, we can look back with pride at what we accomplished here. We are the **Never Before, Never Again** class, and we represent Leominster High School well. Goodbye and good luck, Class of 2000. May the rest of the journey be long and eventful, and may you always remember and be drawn back by the Magnet.

Class Advisors

Daryl Robichaud and Wendy Rellstab

Dear Class of 2000,

Four years have passed since you first entered the doors of Leominster High School for the first time. You came from different schools and had different backgrounds and experiences that you brought with you. As a class, you had yet to form an identity as the class of the new millennium.

The class quickly established its identity by excelling in many different areas. As a class you have enjoyed ample success in athletics, academics and the arts. You have had your talents displayed not only locally, but also received state recognition for all of your hard work.

Secure in your accomplishments as a class, you also have developed special relationships during your time at Leominster High School. Whether it was a classmate who became a close friend or a teacher who you went to for advice, you have developed friendships that will last a lifetime. Cherish those friendships and the memories you have created with these people no matter where your future travels may take you. They will always be a reminder of your time spent at Leominster High School.

With the dawn of a new millennium upon us, you have forged a reputation at Leominster High School that will be difficult for other classes to follow. Be proud of your accomplishments and the growth that you have achieved not only individually, but as a class.

As your advisors, we would like to wish you the best of luck in all of your future endeavors. May you always strive to be your best and have all of your dreams come true. We will remember the times spent together fondly, hoping that we impacted your lives positively. It has truly been a pleasure being your advisors over the past four years. Take care of yourselves and each other.

All the Best,
Wendy Rellstab
Daryl Robichaud

Class Officers

To the Class of 2000:

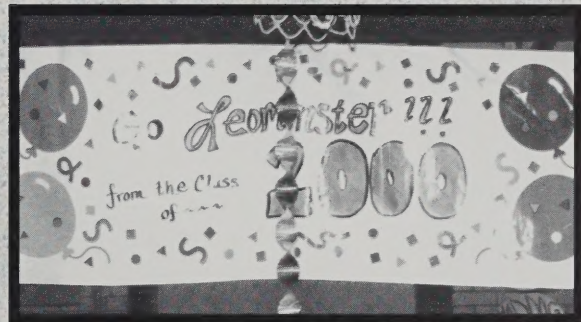

Over the past four years, the Class of 2000 has made an impression on Leominster High School that will never be forgotten. Together, we have grown to be one. We have stood by our morals and welcomed many cultures, tastes, and lifestyles to be a part of our ever-diverse community. Our opportunities for learning and personal growth at LHS were oftentimes found far beyond the confines of the classroom. We have, in one way or another, learned from each other. For that, our lives have become richer. Along the way, we have made many friends. With these friends have come memories that will remain with us forever. Upon closing this chapter in our lives, it is evident that we will often reflect on our times here at LHS. With smiles and laughter, we will feel blessed to have been a part of such a great class - the Class of 2000.

Sincerely,
Tim, Jon, Carla, and Anthony

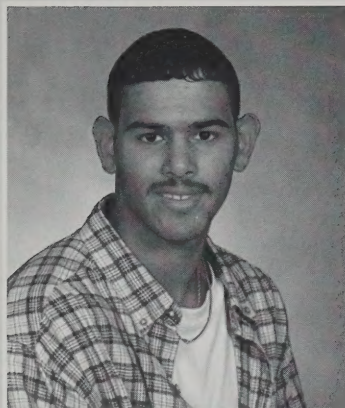

President Tim Flanagan, Secretary Carla Escobar,
Treasurer Anthony Orlando, and Vice President Jon Roy

Class

IN THE BEGINNING

For others it may have started in 7th or 9th grade, that is, the first time they thought of themselves as, or were referred to as, "a class." But for us it was different. Almost from the day we entered kindergarten we have been "labeled" "branded" "recognized" and "romanticized" as "The Class of 2000." We are the *Never Before, Never Again* class that the media put under a microscope and dissected. We've been analyzed and characterized. We've been studied and scrutinized, spotlighted and highlighted, turned upside down and inside out and for the most part, we have loved every minute of it. Who knew that in 1982 we were stepping into the limelight. Accidental, maybe, but for better or worse, we now present to you the Class of 2000.

ELEMENTARY YEARS

We began our formal education entering kindergarten in 1987. Most of us, however, had attended various preschools in the city due to the fact that many of us came from families where both parents worked. In 1988, we settled into the four elementary schools: Northwest, Johnny Appleseed, Fallbrook, and Southeast. Many times during our elementary school years, we were reminded of our unique position as the first class of the new millennium. During our third year, Gallagher junior high school was closed and our elementary schools became K-8. Overcrowding demanded the building of a new school - Samoset, when we were in the eighth grade. Seventh and eighth grade dances and the Washington trip brought us together numerous times before we reached Leominster High School.

History

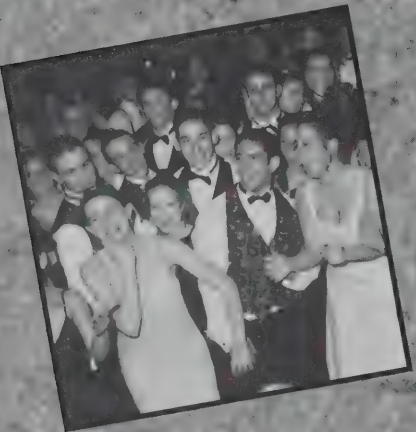

FRESHMAN YEAR

In September of 1996 our Freshman year at LHS finally began with a first day of school without the upperclassmen. We had a single day to master the maze of the A, B, C, D, E, and F wings of Leominster High School on our own. CTE freshman began their thirteen week exploratory of the trade program offerings. Principal Paul T. Fleming was at the helm and remained throughout our four year high school careers. Mr. Daryl Robichaud and Mrs. Wendy Rellstab became our class advisors. We held our first elections and our officers became President Sarah Aubuchon, Vice-President Jon Roy, Secretary Adam Brause, and Treasurer Anthony Orlando. The seniors initiated us with the traditional freshman-senior week, a week of hats, costumes, signs and paint. We voted Lindsey Turner and Jason Morales our Homecoming Couple. Our interclass play was *Lepers*, and our school musical was *42nd Street*. We became the new faces on the stage, on the athletic teams and in the clubs.

SOPHOMORE YEAR

In September of 1997, we returned to LHS as Sophomores. We were still underclassmen, but more involved in the traditions that make up Leominster High School. Dr. Joseph B. Rappa was appointed Superintendent of Schools. Our elected officers were President Sarah Aubuchon, Vice-President Jon Roy, Secretary Jordan LaFosse, and Treasurer Anthony Orlando. Our Homecoming Couple was Ashley Alia and Ross O'Donnell. The Sophomore interclass play was *Act Three, Scene Five* and our school musical was *How to Succeed in Business Without Really Trying*. We upset the senior tradition by winning the Winter Carnival competition in February. We took the first series of MCAS tests and began to distinguish ourselves academically, on the playing fields, and in extra-curricular activities.

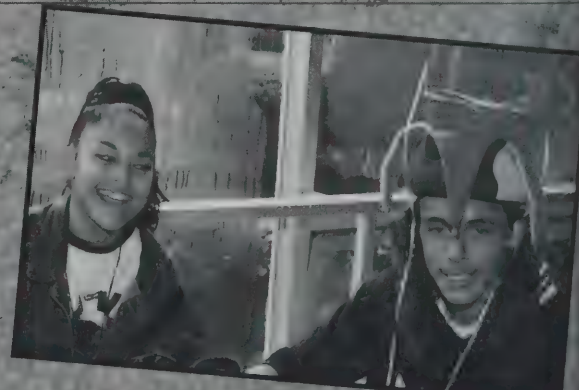

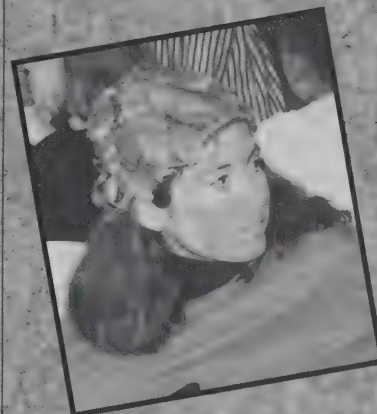

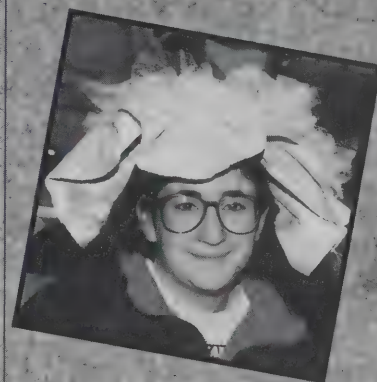

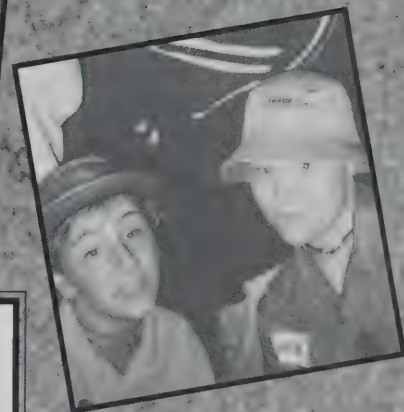

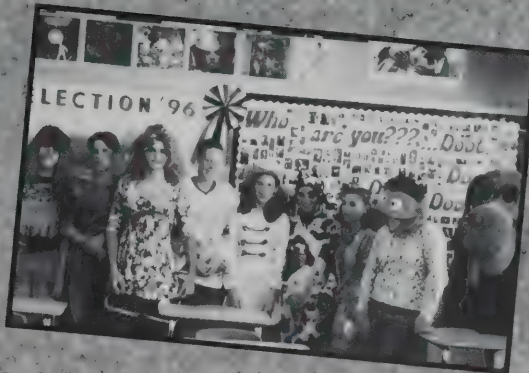

JUNIOR YEAR

September of 1998 brought us upperclassman status and a new maturity. Our participation in the MCAS tests was rewarded with a cook-out for the junior class. We were presented with many challenges such as jobs, drivers' licenses, PSAT's, AP courses, and Junior Prom. We still had to park along Kingman Drive and those of us who invaded the senior lot were towed on numerous occasions. Our officers, President Tim Flanagan, Vice-President Jon Roy, Secretary Tiffany Peralta, and Treasurer Anthony Orlando, led us through one of our most important years. Our Homecoming Couple was Lindsey Turner and Jon Roy. Our interclass play was a 3 x 10 that included *The Battle of Bull Run Always Makes Me Cry*, *The Philadelphia*, and *Duet for Bear and Dog*. Our musical was *George M!* We planned and attended our Junior Prom, *The Time of My Life*, at the Italian-American Cultural Club and we watched the Class of '99 graduate in a more dignified and formal ceremony. The tragedy at a high school thousands of miles away made us stop and think, and the name Columbine was forever etched in our memories. We left looking forward to our senior year.

SENIOR YEAR

1999- Finally and all too soon our senior year began. Now as leaders, we initiated the freshman class with the traditional freshman-senior week festivities. We elected our officers for life President Tim Flanagan, Vice-President Jon Roy, Secretary Carla Escobar, and Treasurer Anthony Orlando to lead us into the next millennium. Our homecoming court was Ashley Alia and Ross O'Donnell and our King and Queen were Jon Roy and Lindsey Turner. To our dismay the school day was extended twenty-five minutes to meet with state regulations, making our day start at 7:30 and end at 2:15.

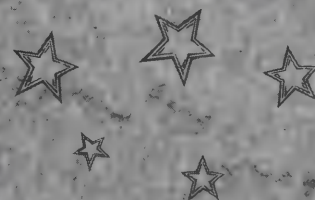

After working towards their 5-year goal, our Blue Devil Marching Band finally received their uniforms. With class, they marched onto the field during halftime, proudly representing Leominster High School. We planned and presented our Thanksgiving Rally, held our Senior Breakfast, and took our "2000" class picture. The first half of the year brought countless deadlines including yearbook pictures, SAT's, college applications, scholarships, financial aid... We performed in our final interclass play, *The Actor's Nightmare*, and the musical *Mame*.

THE FUTURE

As we write this, our class history, February has brought second semester, cap and gown measurements, and plans for graduation. We would like to take this opportunity to thank all of the teachers, elementary through high school, who touched our lives, the principals and assistant principals, the administrators and the school committee, and the superintendents, who have overseen our education throughout the past twelve years. We approach graduation, almost 400 strong: culturally diverse, computer literate, internet accessible, sports, music and movie-loving, travel-oriented, health conscious, and ready for the 21 century.

As we prepare to leave Leominster High School and start the third millennium, we take certain beliefs with us. We take pride in ourselves and our families, we take friendships and relationships that will last a lifetime, we take a solid foundation in education, and we take an appreciation for the quality and diversity of life in this city, this country, and this world. We take seriously our unique place as the Class of 2000 and our responsibility for defining the age. And of course, as the *Never Before, Never Again* class, we will always remember.... to eat fruit.

Behind the Scenes

Junior Prom

"The Time of My Life"

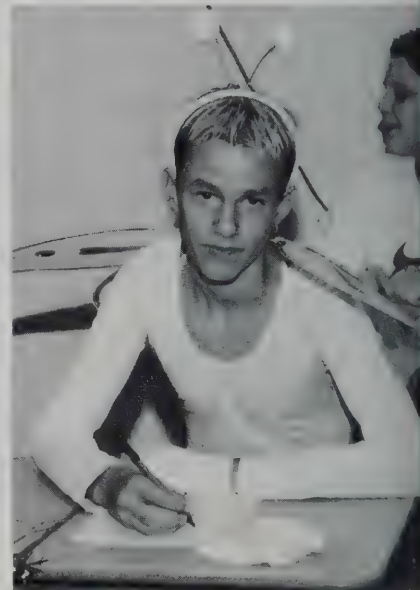

On March 27, 1999, the Junior class attended their Junior Prom at the Italian-American Cultural Club. The ballroom was decorated elegantly in blue and gold. Our theme was "The Time of My Life", and that's exactly what we had! In our tuxes and gowns, we danced the night away. A good time was had by all, and many memories were made.

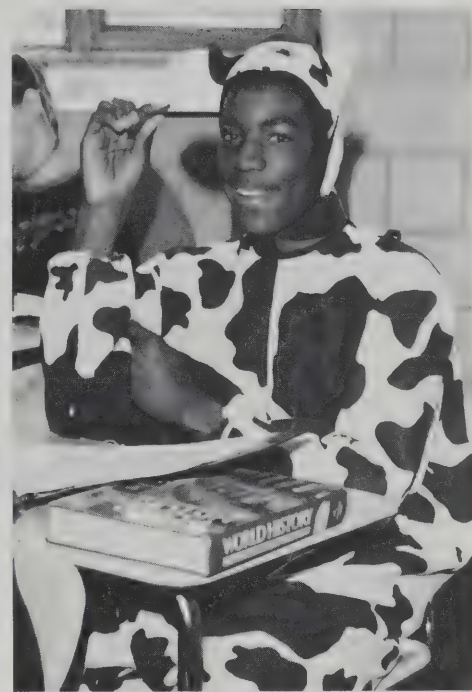

Freshman-Senior Week

During the week of September 13-17, the class of 2000 initiated the class of 2003 into Leominster High School. The week consisted of hat day, school pride day, 70's day and costume day. We started the week-long festivities with a breakfast and ended with a pizza party. We had California Raisins, a cow, a pig, an elf and a myriad of other characters. The Freshmen were good sports. Every-one had a blast, and many new friends were made.

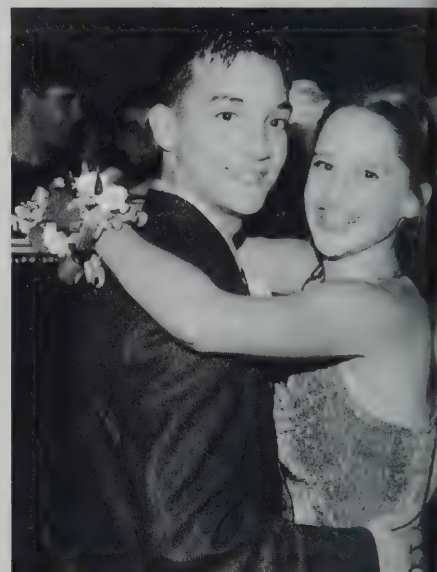

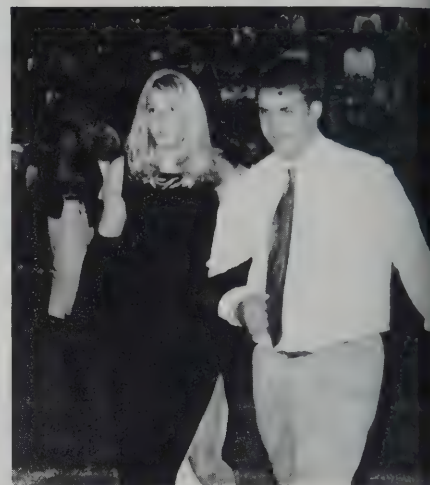

Homecoming

1999

On Friday, September 24, 1999, Leominster High School held Homecoming Festivities at Doyle Field. At halftime, Jon Roy and Lindsey Turner were crowned King and Queen. The court was made up of seniors Ross O'Donnell and Ashley Alia, juniors Alec Zadek and Brianna Richardson, sophomores Erik Kistler and Lindsay Brown, freshmen Garrett Donatelli and Emily Gallant. After the game, the court was presented at a dance in the High School gym.

Senior Breakfast

1999

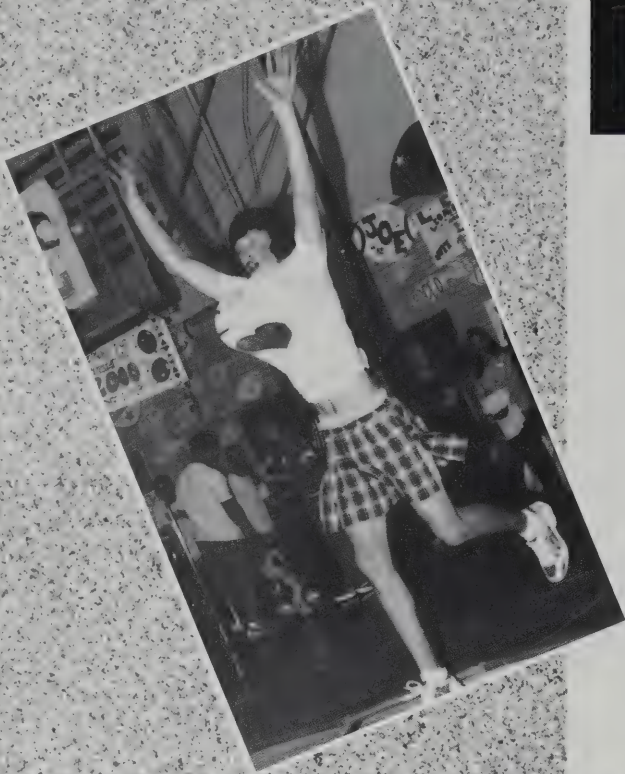

On Tuesday morning, November 23, 1999, our annual Senior Breakfast took place in the cafeteria. The seniors and faculty mingled while enjoying a delicious catered meal. After breakfast and socializing, everyone gathered outside for the "2000" picture. (Check it out on pages 48-49!) Then we headed back to class, anticipating that afternoon's Thanksgiving Rally.

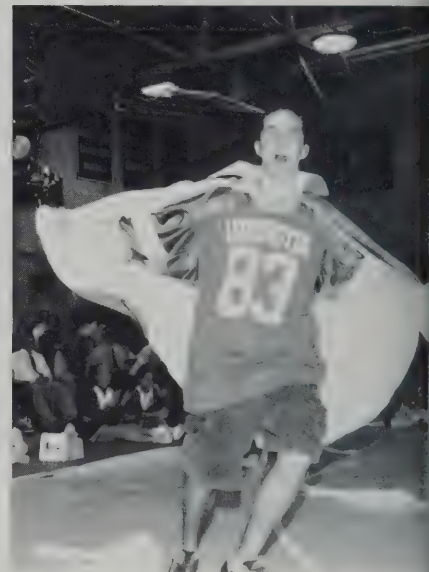

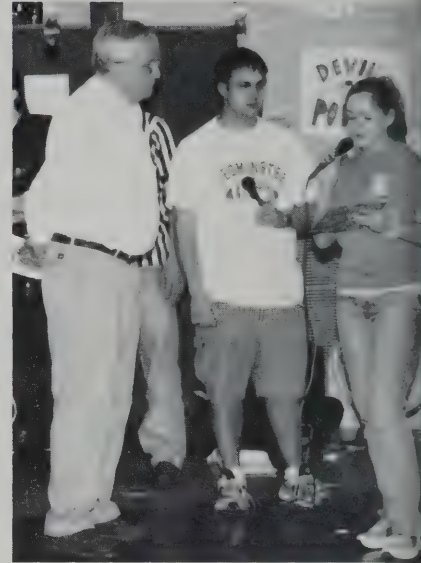

Thanksgiving Rally

On the Tuesday before Thanksgiving, the Class of 2000 staged a rally that set the tone for the next millennium. School spirit was high and the fans were impressed by the presentations of the cheerleaders, colorguard, band, senior moms, mock football players, and mock cheerleaders. Although the outcome was scripted, everyone enjoyed watching the Blue Devil destroy the Red Raider and left looking forward to the big game.

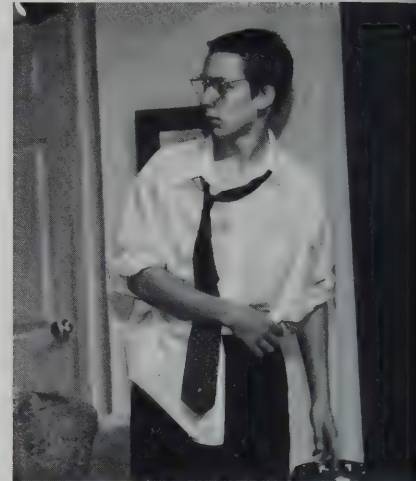

All School Play

Noises Off!

On November 12, 13, 19, and 20, the Fine Arts Club presented Michael Frayn's British comedy, "Noises Off!". Produced and directed by Mr. and Mrs. Lew and aided by an excellent stage and set crew, the results were spectacular. This was one of the most difficult plays produced by Leominster High School and will be remembered for years to come. The production starred Lindsay Flathers, Nick Tully, Kelly Loiselle, Ari Folman-Cohen, Robin Drury, Caitlin Byrne, Ari Lew, Brian Bassett, and Chris Landry. Leominster has had a long history of performing unforgettable shows, and "Noises Off!" added a funny quirk to the line.

Faculty

Leading the Way

To the Class of 2000,

I hope the Class of 2000 will indulge me an exception to what principals are traditionally expected to write in yearbooks. Because I am going to retire from public education at the end of April, after forty-one years and three months service to the children of the Commonwealth, I need an opportunity to say thank you and good bye. Please accept the fact that I want to do so in your yearbook and thank you all for that opportunity.

I have been a public high school principal for thirty years in the communities of Leominster, Wilmington, and Plymouth. Before that I served as a teacher, coach, and department head in the communities of Westborough and Bellingham. I have had the pleasure of serving you and your parents for your entire four years minus one month. During my tenure at Leominster High School the Student-Parent handbook has been rewritten insuring equitable treatment and practice for all students, faculty efforts have been refocused on the need to constantly improve instruction using different time blocks and the expectations of the Massachusetts frameworks, an organization known as Renaissance which recognizes positive student accomplishments has been thanks to parents put in place, and daily attendance has increased. Also, the school's championship athletic traditions have been extended and not minimized or mismanaged due to inept administrative leadership, new AP programs have been added in History, Mathematics, English, and Science, the school's diversity has become an attribute of pride rather than quiet prejudiced ridicule, women have been added to the high school's leadership cadre, faculty meetings and interactions have been devoted to learning, students have maintained their historical excellence in aesthetic offerings, and the relatively few passionate critics of the high school have been identified for what they are.

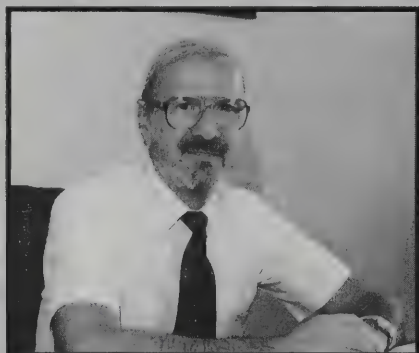

Your education here, as anywhere, is as good as what you invest in it. Go on and be all that you can be. Know that I deeply appreciate all that have sincerely reached out to me and given me their support wisdom and kindness. You know who you are and I will fondly remember you as long as I live. And finally, let me say that Leominster High School, a complex, passionate, demanding learning community has been the high point of my professional career. I am proud to have served as your principal and as the leader of the district's "flagship." Leominster High School is a snapshot of America with its student body that represents as many as fifty nations of the earth and over a hundred students that were born in other lands. Membership in our ranks is truly a quality way to prepare for life in America. Thanks for everything and always remember that each and every one of you matter and have great value.

Best wishes for success in the coming years,

Paul T. Fleming

The guys getting psyched.

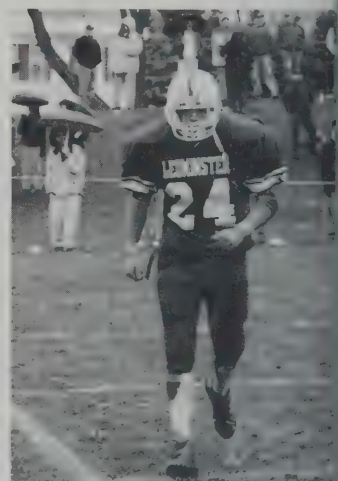

The 1999 Leominster High School Varsity Football Team had a successful season, finishing with a 6-4 record on the year. Led by Coach Dubzinski and Senior Captains Ross O'Donnell, Jason Morales, Greg Giadone and Leo Fortier, all members of this year's team showed dedication, loyalty and persistence. In spite of a tough loss to Fitchburg, the team still put forth their best effort and were a credit to the football tradition that is so much a part of Leominster High School.

Seniors

The 99-00 Leominster High School Boys' Soccer team had a very good year. Led by the talented captains Greg Bergeron, Harold Irizary, and Claudio Pietropinto, our boys made it to the districts. Competition was fierce but the team did its best. Heart and spirit describes this year's team. They had an awesome season lead by Coach Emile Johnson. The boys are looking forward to another successful year and another run at districts.

Girls' Soccer

Lynn fighting for the ball.

Nineteen ninety-nine wasn't the best year for the Leominster High School girls' soccer team, but it was a memorable one. Despite playing in a league filled with incredible competition, the Devils were never intimidated or dominated by an opponent. The team played with their hearts and never lost faith in themselves. People may go by records or statistics when they look back on this team, but for the Lady Devils, it was effort, determination, talent and success that characterized this season.

Tri-Captains Nick Venti, John Hebert, and Jon Roy led the Boys' Cross Country team through a well-fought season. Four senior veterans received help from Dan Navaroli and a pack of talented underclassmen who worked hard during the season. The many improvements and personal gains made an enjoyable and satisfying season for all involved. Our thanks to Mr. Cleaves for his encouragement and support through the season.

The nineteen ninety-nine Girls' Cross Country season proved to be full of growth and inner strength. Every girl strove to make her teammates, as well as herself, proud. Together we were able to push each other to overcome obstacles that runners face. We will always remember the red pick-up truck, the mile repeats, the hill workouts, and the memorable spaghetti suppers. Mr. Cleaves, thank you for your commitment to every individual runner, and giving us the opportunity to face challenges that in turn made every runner a stronger person.

Field Hockey

Senior gals.

The 1999 LHS Field Hockey season ended in the first round of districts with a loss to Burncoat. The season, however, had some exciting moments including wins over Quabbin, Milford and North Middlesex. The Lady Devils ended their season with a record of 7-6-6. Despite the many ties, the girls continued to work hard and improve their skills. Congratulations go to Kim Davis, Katie Foley, Nikki St. Pierre, and Amanda Johansson for making All-Stars.

The Boys' Basketball Team accomplished two major goals this season. The team defeated rival Fitchburg twice during the season and for the fourth time in a row which has been accomplished only once before. With great spirit and leadership from captains Stan Miller and Victor Garcia, the team qualified once again for the Districts. Everyone on the team concentrated on playing solid basketball, and contributed in big ways. The Blue Devils will play in the post season for the third time in five years and look forward to the challenge. Coach Mazz will be sorely missed next year but the team wishes him a well deserved rest from coaching.

The 1999-2000 Girls' Varsity Basketball season was a big rebuilding season. Although young, the team put forth its best efforts against the tough competition in the league. Lack of height took its toll during the season, but serious effort at practice made it all worthwhile for these girls throughout the year. Improvements were evident in all players. Thanks to the patience of Coach Young, the team began to grow as one. We send out congratulations to the team for a great effort in a hard fought season. Best of luck in the seasons to come.

Dear Staff,

Only a few people really know what goes into producing a yearbook. As one of those in the know, I want to thank you for your service to your class and to Leominster High School. This yearbook is the first Magnet of the new millennium and the first LHS yearbook to be produced *entirely* on Yeartech. Jostens may say it is easy to work with, but as with everything "technological" we know that is a fallacy. So, here is to the many glitches and crashes, and times we couldn't get the computer to do what we told it. Here is to the times we worked past 4 o'clock, and to a group of students who met the challenge. Congratulations and on behalf of your class, thank you for this book.

Thanks also to Alan Thibault of Creative Studio of Photography and John Neister and Eric Rodriguez of Jostens for their service and encouragement.

Finally, Betsy, Kristi, Tiffany, and all the on again off again staff- thanks from your advisor.

Sincerely,
Ms. Buss

"Whoso be a man, must be a nonconformist."

-Ralph Waldo Emerson

Classic Hit: "Helter Skelter" by the Beatles

Memories: the basement, obviously; Adam, you knew it all along. the philosophy club; the stairs; our fearless leader Joe; that fated sneeze and the grinning German fiend; a white Christmas; cheez-whiz, for better or worse; estrella, as she was to me; far too many timewarps; MOSAIC, from those first stumbling bits to here; faboo, sheepy, JB, DP, JM, BG, AG, and the countless others who made it happen. it's been incredible.

Future Ambition: Years more of it. To learn forever, to question everything, to live life as close to the quick as possible. To believe forever in "the green light, the orgasmic future that year by year recedes before us," and to never apologize for it.

A sense of humor is wonderful; hold on to yours.
Being able to laugh at the world will see you through many hard times.
